What a smashing little smiler — she glows, she beams, she positively chortles. There can be no doubt that Carla thoroughly enjoyed the session and put herself about with a will. She's 19 years old, 5'4" tall, has a 35-23-35 figure and comes from West London — where she still lives. And, just in case she wasn't already popular enough with the boys, she works in an off licence. All that and cheap booze too. The fly in the ointment is a 6'4" boyfriend who is extremely jealous. She finds this flattering but embarrassing at times. She was having a party one night and he threw five people out, single-handed. Bet he drinks Carla's Black Label . . .

Last time around in our Christmas issue (remember Christmas?) we called her Margot, covered her in flour and insisted she perform unnatural acts upon a dead bird (stuffing a turkey). This time we relented. She's really called Gina and, as a reward for a sense of humour above and beyond the call of nature, we allowed her to look pretty and sweet. Which she is. And in case the significance of the hat has escaped you, it's an Easter bonnet. So there.

Gina is 22 years old, comes from the West Country and has an accent

you could milk cows with. Which we find utterly charming, and utterly impenetrable at times. She got her start in modelling by posing topless on a tractor (honest!) but has since moved on to the more sophisticated areas of PR, promotions and glamour modelling. One of the nicest things about Gina is that beneath that doe-eyed, pretty-pretty image there's a real person refusing to be swamped. Nice lady.

*What's all this? Knave publishing pictures of girls with big . . . um . . . chest-thingies? That's a turn up for the magazine. Mind you, we do insist that they are goodlooking girls as well. Great big wobblers alone are not enough — by this we stand. However, Justine being well endowed with all things bright and beautiful, she qualifies on all counts. And since we're counting: 37-24-35.*

*She's 23, Swedish and loves English men. Well, an English man at any rate. 'Tell me, pretty maiden, are there any more at home like you?' There are a few, apparently — five sisters in fact. But the editor's nicked the address. Or did they say he'd nicked her dress? Wouldn't put it past the old perv . . .*

is 24 years old, Swedish and a fabulous 35(D)-23-35. She comes across (though not often) as a very classy lady indeed. Full of Scandinavian coolth, she excels in that distant, challenging look that persuades men to try just a little harder. You know damn well you're probably wasting your time, but you might just get lucky. She swears she's not particularly fond of rich men. "They bore me, they expect too much." Does this mean she prefers penurious punters? "I like men who are fun to be with." So how come her current boyfriend is filthy rich? "But he makes me laugh, yes?" What a bastard! The rich have no right to a sense of humour, they spend enough time laughing at the rest of us. Shit, that's really ruined my day . . .

This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

If you're successful we'll invite you to London, pay you £150 for the day's work plus travelling expenses and overnight accommodation, build a special set and lay on a make-up artist and a professional photographer to make sure you look your best. There's also a £25 prize for whoever took the original pictures of you. You'll never know unless you try — and it's great fun being a star for a day!

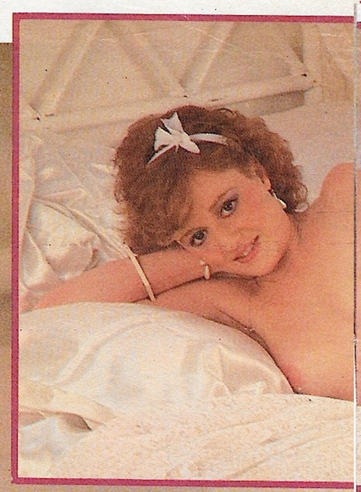
Small, beautifully formed and very sweet — and that's just the Easter Egg. Paula is 19 years old, comes from Essex-by-the-Sea and is — alas! — married. She's done a little modelling for the camera club her husband belongs to, which has no doubt made him very popular with the other members. She certainly warmed the cockles of the Knave Editorial heart.



It's amazing that anyone could assume such naughty and revealing poses — and still look so fresh and unselfconscious. Nice trick, Paula — not many girls can look sweet and sexy at the same time. Especially considering that the Easter Egg was a year old and somewhat mouldy. Ah, the secrets we give away in the interests of verisimilitude . . .
